

LANDHAUSKÜCHE MENU

WELCOME

What does eating and drinking mean?

Eating and drinking brings us together.
It connects us to family, friends, colleagues
and even new people.
Eating and drinking stimulates our senses.

It's emotional! New tastes to experience and
old flavours that bring back memories.
– Tradition encourages innovation –

We hope you enjoy your time with us!
The „Hannibal“ Team

*We value quality!
That's why almost all our products come
from our own production. Therefore,
it can sometimes take a little longer.*
